

**RESIDENCE**  
513 West 142nd Street  
NEW YORK, NY 10031  
scale 1/4"=1'0"

EXISTING CONDITIONS

**Washington Heights Backyard**

Complete redesign of backyard, including paving, fence, plantings, irrigation and lighting.

I worked with clients to address a tall chain-link neighboring fence. Clients wanted to maximize the useable space and still have planted spaces and save existing tree.
